

## Purchase your personalized Video from the 2008 IEA National Finals!

“The EPCo. Group” (Equine Production Company and Equine Production Company II) is pleased to be joining you for a great year of fun and competition, and providing you the same professional video coverage which we have provided to major U.S. horse shows since 1982. *We will be recording ALL riders in all official classes.* ~ **Your video will begin with show highlights, set to music, capturing the fun and flair of the weekend, followed by the classes you order and ribbons you win in those classes. Your DVD and cover (or VHS tape cover, if you do not select the DVD upgrade) will be printed with your name & color photo, along with the show name and year.** *And if your Advance Order is received in our office by April 16<sup>th</sup>, you will get a second copy of this great memento for free (a great gift for grandparents!)* ~ Note: Flat classes will be recorded as “general coverage” showing some of everyone, concentrating on no one.~
